"I am doing good to the poor, but I differ in opinion of the means. I think the best way of doing good to the poor, is not making them easy in poverty, but leading or driving them out of it. In my youth I travelled much, and I observed in different countries, the more public provisions were made for the poor, the less they provided for themselves, and of course became poorer. And, on the contrary, the less was done for them, the more they did for themselves, and became richer."
Benjamin Franklin

In just a few days we will be back on Canadian soil!!! We wanted to connect with all of you before we arrive. We will be making several presentations while we are home and getting together with family and friends. Our presentation schedule is as follows:

July 10: *Stayner Brethren in Christ Church* Sixth Line Stayner 1030am.

We will be giving a recap of our past few months and will be available for questions following the service.

July 17: *Nazarene Church* Erie St. Collingwood 10am.

We will be making a 30 minute presentation of our time with *Mercy Ships*.

We would love to connect with you at these events or if you are unable to see us there, please send us an e mail to make

other arrangements. As many of you know, the main purpose for our trip home is for my moms internment and also my step-dads funeral, he passed away on Easter Sunday. The service is planned for July 9. All of my brothers and sisters, as well as nieces and nephews are traveling from BC, NS, Windsor, Thunder Bay and Red Lake, ON. Please keep them all in your prayers for safe travels and for strength through the funeral etc. *Love, The Palmers*

It is official! Alanah has been accepted into the Honor Academy here in Garden Valley, Texas. She has also just found out that she is accepted into the School of Worship!! You may be wondering what this is all about as her plans up until very recently were to pursue nursing. I will

let her own words explain. *"I realized that that, (pursuing nursing) was not God's plan for my life, but mine. He showed me that I had not been focused on what he wanted this past year or so, but what I wanted out of my life. I want to take this year to seek Him and His direction, and to*

learn to trust him in all things, while learning about leadership in the Christian world." Please continue to pray for Alanah as she works this summer and fundraises for her year with the Academy. Pray that the Lord would honour her desire to seek Him and to know Him.
